

Policy on lifelong learning

Policy Issuances

Issuance date: 03 January 2022

Opportunities for lifelong learning shall be provided by Mapua University through various outreach activities. These shall be offered for free by the Office for Social Orientation and Community Involvement Programs (SOCIP); and the Center for Continuing Education and Special Competencies (CCESC).

Lifelong learning activities shall be done through the following means:

- (1) The University shall open its facilities to conduct in-house trainings and lectures which shall be conducted by competent Facilitators from the pool of Faculty with respect to fields of expertise;
- (2) Onsite community trainings and lectures shall be done where volunteer Faculty and materials are brought to the community; and
- (3) Online trainings and lectures shall be scheduled for real-time activity which can be accessed regardless of geographic location.

Moreover, it follows guidelines that lifelong learning activities provides access to all, regardless of ethnicity, religion, age, disability, immigration status, socio-economic status, sexual orientation or gender.
